

# Technology First Grade

## **Program Goal:**

Students in the Diocese of Grand Rapids will possess the knowledge and technological skills to obtain, organize and evaluate information to become effective and creative communicators who perform tasks (ethically and legally) to live in a global society.

## **Content Criteria:**

### **Communication:**

1. Students will work cooperatively by assisting their fellow students.
2. Students will be introduced to the Internet.
3. Students will explore the world wide web by visiting various sites.

### **Technological Knowledge:**

1. Students will demonstrate the use of basic computer terminology as appropriate for their grade level.

### **Technical Skills:**

1. Students will demonstrate basic word processing skills.
2. Students will demonstrate how to print a document.
3. Students will be introduced to age appropriate graphic, desktop publishing, spreadsheet, and multimedia software.

### **Ethical:**

1. Students will demonstrate the responsible use of hardware and software.
2. Students will demonstrate proper respect in a lab setting.
