Appendix to 8th Grade Curriculum

Faith Formation Through Retreats

Consideration of a retreat experience to evangelize the 8th grade students at the beginning of the year is suggested. Many parishes provide retreat opportunities for their members. The NET Ministries is a national Catholic organization offering retreat experiences specifically focused on the 8th grade age group. The thought process supporting the retreat concept suggests that young Catholics need inspiration to motivate their desire to learn more about their faith. This also gives purpose to the whole curriculum. Contact the Diocesan Office for Family, Youth and Young Adults for more information.
