

Kindergarten Social Studies Curriculum

Myself & Others

Grade Level Goal

In alignment with the State of Michigan standards, kindergarten students explore the history, geography, civics, government, and economics. Incorporating prior knowledge with Catholic Social Teaching, students come to an understanding of their increasingly complex social environment. The kindergarten content expectations for the diocese prepare students for more sophisticated studies of themselves and others.

September

Unit Title	Role of the Citizen in American
Big Ideas	We show good citizenship by being responsible and following the rules.
